PUBLIC LIBRARIES AND THE INTERNET 2009:  
STUDY RESULTS AND FINDINGS

John Carlo Bertot, Ph.D.  
Professor and Director of the  
Center for Library Innovation,  
University of Maryland

Charles R. McClure, Ph.D.  
Director and Francis  
Eppes Professor,  
Florida State University

Carla B. Wright, M.S.  
ALA Survey Manager

Elise Jensen, M.S.  
Research Associate

Susan Thomas, M.L.S.  
ALA Project Manager

Funded by the American Library Association and the Bill and Melinda Gates Foundation

142 Collegiate Loop, P.O. Box 3062100, Tallahassee, FL 32306-2100  
Telephone 850.645.5683 Fax 850.644.4522
LIST OF FIGURES

Figure 1: Public Library Outlets and Survey Responses.................................................................14

V. NATIONAL BRANCH LEVEL DATA

Figure 2: Average Number of Hours Open per Outlet........................................................................15
Figure 3: Public Library Outlets Change in Hours Open.................................................................15
Figure 4: Public Library Outlets Closed ..........................................................................................16
Figure 5: Public Library Outlets Offering Public Access to the Internet........................................16
Figure 6: Public Library Outlets as the Only Provider of Free Public Internet and Free Public Computer Access ..................................................................................................................16
Figure 7: Average Number of Public Access Internet Workstations ..............................................17
Figure 8: Number of Public Access Internet Workstations by Average Age ..................................17
Figure 9: Sufficiency of Public Access Internet Workstations .......................................................18
Figure 10: Public Library Outlet Public Access Internet Workstations Addition Schedule .............18
Figure 11: Public Library Outlet Public Access Internet Workstation/Laptop Replacement or Addition Schedule ........................................................................................................................................19
Figure 12: Factors Influencing Addition of Public Access Internet Workstations/Laptops ..........20
Figure 13: Factors Influencing Replacement of Public Access Internet Workstations/Laptops ...21
Figure 14: Public Library Outlets Internet Workstation/Laptop Replacement Approach ..............21
Figure 15: Public Library Outlets Length of Time to Get Computers Back in Service ....................22
Figure 16: Sources of IT and Computer Support Provided to Public Library Outlets ..................23
Figure 17: Number of FTE for IT and Computer Support Provided to Public Library Outlets ......24
Figure 18: Public Library Outlet Maximum Speed of Public Access Internet Services ................25
Figure 19: Public Library Outlet Type of Public Access Internet Service .......................................26
Figure 20: Public Access Wireless Internet Connectivity in Public Library Outlets ......................27
Figure 21: Public Library Outlet Shared Wireless-Workstation Bandwidth ....................................27
Figure 22: Adequacy of Public Library Outlet Public Access Internet Connection ......................28
Figure 23: Possibility of Increasing Adequacy of Public Library Outlet Public Access Internet Connection .........................................................................................................................................29
Figure 24: Public Library Outlet Time Limits for Patron Use of Workstations .............................30
Figure 25: Public Library Outlets with Time Limits for Internet Workstations per Day ...............30
Figure 26: Public Library Outlets with Time Limits for Internet Workstations and Total Sessions per Day ........................................................................................................................................31
